

BUILDING, CIVIL, ELECTRICAL AND MECHANICAL WORKS CONTRACTORS

COMPANY PROFILE

MAIN OFFICE:

PLOT 902 BLOCK C, MTONI
KIJICHI- TEMEKE, P.O.BOX
41545, DAR ES SALAAM

A: INTRODUCTION

GM ENGINEERING WORKS LIMITED (GMEL) is a local company registered in Tanzania by **Contractors Registration Board (CRB)** in Mechanical Works Contractor **Class Four**, Building Works Contractor **Class Three**, Civil Works Contractor **Class Three** and Electrical Works Contractor **Class Four**. The company has since formation been engaged in various projects including building, electrical works, civil works including water supply as well as roads and communication networks in Tanzania.

The GMCL management is of high quality and trust and well-focused to ensure that quality of work is never compromised in anyway. The company adheres to deploy required professionals in all of its assignments to ensure that the client's desired quality work is met under any circumstance. Also, the company works strictly on meeting contractual deadlines even the deadly deadlines and this has given the company the credibility from its customers.

It is GMEL's desire to expand its expertise to internal level either through joint ventures or by its own way to explore the internal experience so that it gets in international competition scale. Taking that into account, GMEL trusts that proper trade in business is crucial and that there is no excuse for overpricing/ under-pricing and unimaginative planning. We do offer quality assurance and standard work as designed and we always strive to meet client's satisfaction. Given a sheer size of our country especially rural settings, we do believe that it is always a privilege to execute assignments, which benefit the rural population, and as such we are prepared to carry out any assignment, located whether rural or urban.

B: AREAS OF SPECIALIZATION

GM ENGINEERING WORKS LTD currently operates its business activities in Dar es Salaam, Mbeya, Mwanza and Arusha Cities where it has established its branches. Major activities that are performed include but not limited to:

MECHANICAL WORKS

- Maintenance and Repair of Machineries
- Arc&TIG Welding of Metals
- Construction and Installation of Machine Components
- Test Machine Components for Functionality

CIVIL AND BUILDING WORKS

- Construction and Maintenance of Residential Houses, Commercial and Industrial Buildings,
- Construction and Maintenance of Roads,

- Construction and Maintenance of Water Supply works; this includes Pipe Network, Water Tanks etc,
- Construction and Maintenance of Sewerage and Drainage Systems,
- Real Estate Development, Management and Agency,

ELECTRICAL WORKS

- Maintain a variety of electrical equipment by repairing, servicing and replacing components such as relays, circuit breaker, motors, starters, VFD Drives, Generators and wiring
- Electrical installations and maintenance works
- Do basic wiring including conduit installation, pulling wire
- Perform troubleshooting of basic circuits
- Installations and modifications of equipment and electrical circuit
- Cable terminations

OTHER

- Supplier of Building Materials and Hiring of Construction Equipment,
- Supplier of Safety Gears,

With sufficient experience of its staff in the specialized fields, GMEL is determined to mobilize at short notice and execute assignments at very competitive rates with assured quality finish. This is our motivation in the flourishing construction industry and we are determined to take that for the sake of “client-contractor (CnC)” relationship.
